INTERDEPARTMENTAL COMMUNICATION

To: Board of Selectmen

Date: August 5, 2008

From: Engineering Department

Subject: National Grid – Gas Main Petition – Main Street (Route 27)

We have reviewed the petition from National Grid to install approximately 210 feet of 2-inch gas main in Chase Path for the new homes within the Madison Place Development located at 737 Main Street. The new 2-inch gas main will tie into the existing 4-inch gas main in Main Street.

1. This work will need to be coordinated with the developer of the project.
2. A Permit to Construct within a Public Way will need to be obtained from this department prior to starting work in Main Street.

We do not foresee any problems with granting this petition. If you have any questions, or need additional information, please let us know.
